## < The 12<sup>th</sup> International Conference on Environmental and Rural Development (Online) >

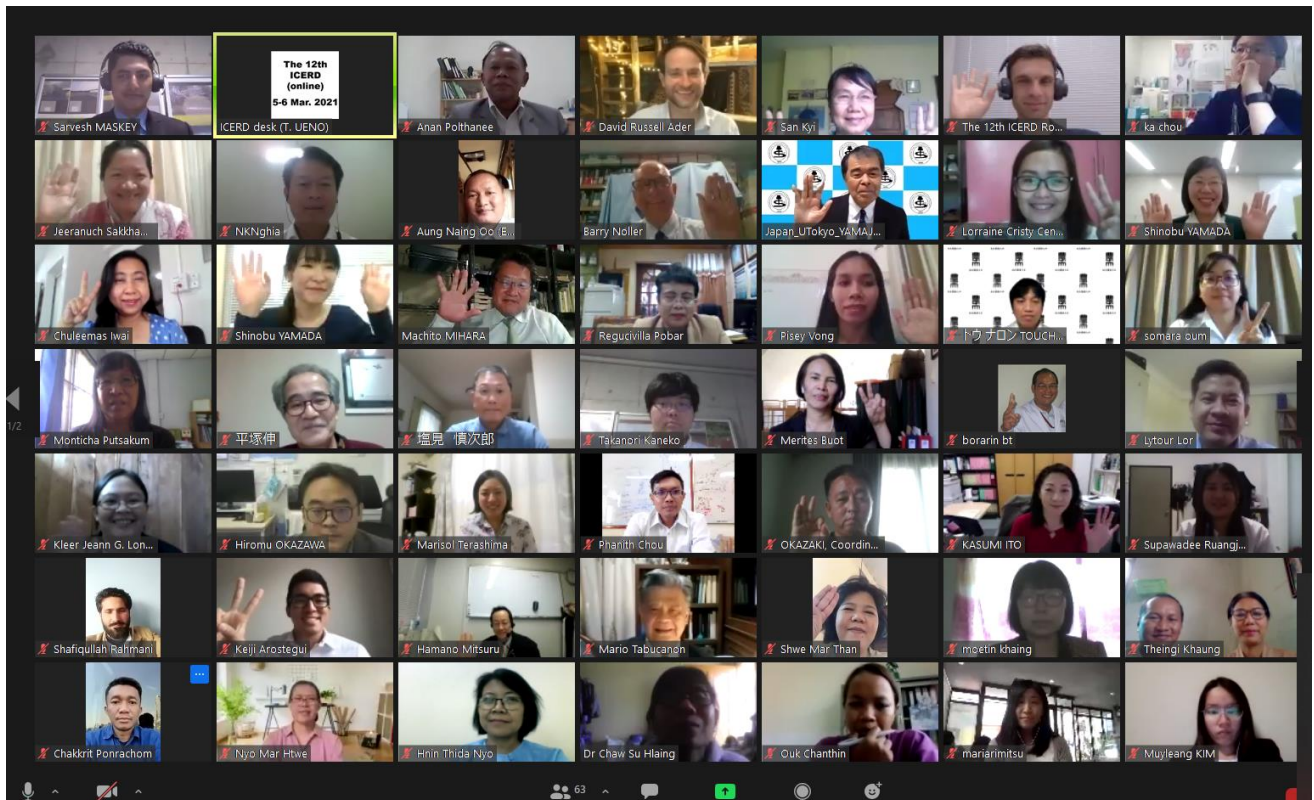

The 12th International Conference on Environmental and Rural Development was held through online during 5–6 March, 2021. On 6 March, there were 48 oral presentations, 63 poster presentations and 1 seminar. Totally 96 participants from 12 countries (Afghanistan: 2, Australia: 2, Bosnia and Herzegovina: 1, Cambodia: 14, Denmark: 1, Japan: 34, Myanmar: 15, Pakistan: 1, Philippines: 6, Thailand: 17, USA: 2 and Vietnam: 1) participated in this conference.

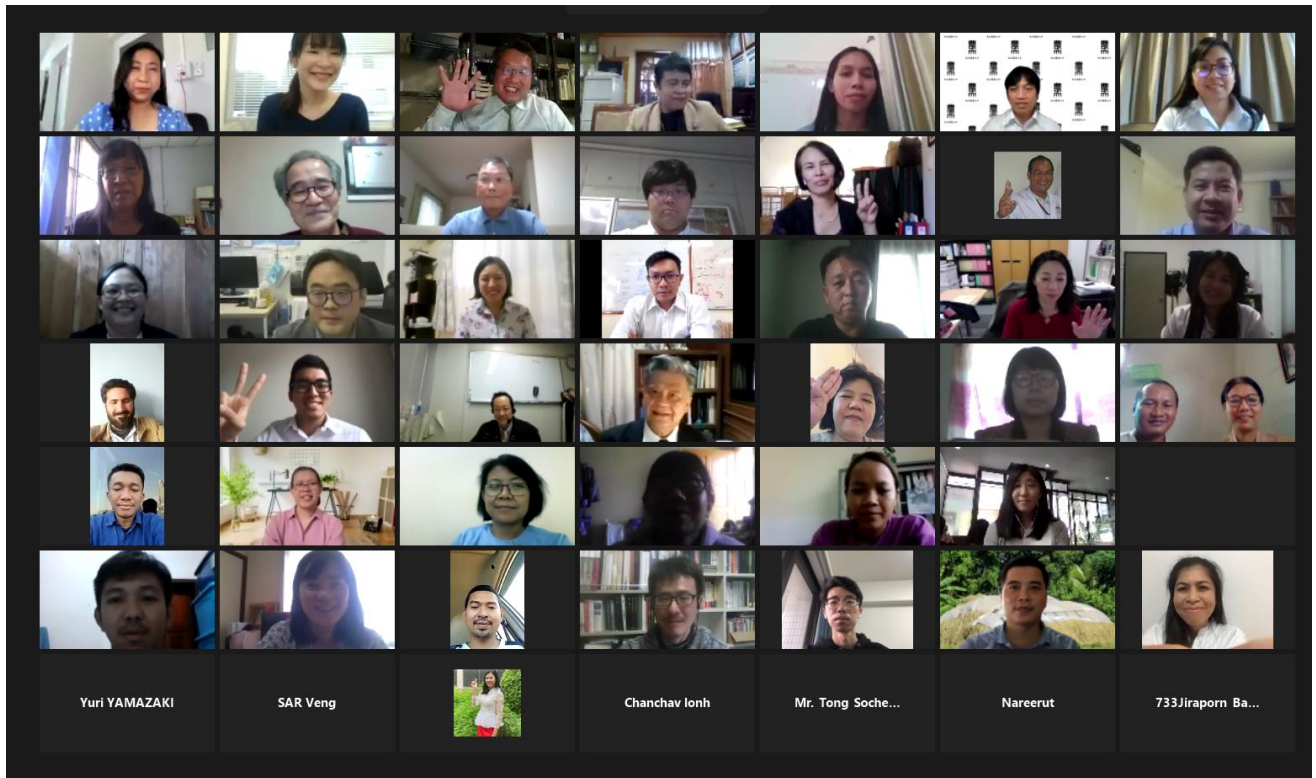

Although it was the first conference held through online, fruitful and productive discussions were made in each session.

We are looking forward to seeing you all at the 13<sup>th</sup> ICERD in Bohol, Philippines, during 4–6 March, 2022.
